EXT. FOREST - DAY

Two men walk through a forest. Trees surround them for miles, and distant birds chirp occasionally.

NERD
She won't respond

JOCK
Nah it will be fine.

NERD
(Agitated)
It's so dumb.

JOCK
Nothing bad will happen.

NERD
What if they tell everyone and I
become some stupid joke?

JOCK
No one is that cruel, and who
cares? It's funny.

NERD
How is it funny?

JOCK
Relationships and all that.

NERD
When was the last time you dated?

JOCK
I've never dated like that,
seriously.

NERD
Oh okay.

JOCK
Is that weird?

NERD
Don't ask me man
(laughs)

There's a pause. The men stand and look around for a few moments. An almost deafening silence fills the air.

NERD (CONT'D)
Do you know where we are?

JOCK
Let me check.

The JOCK gets out his phone but it's dead. He is confused.

JOCK (CONT'D)
It's dead?

NERD
Let me try mine.

The NERD's phone doesn't work either. They are both confused. They see something on the ground and become frightened.

JOCK
Um, let's go this way. Don't worry.

The men continue walking as the camera pans to a blood stain on the ground. The men aren't alone but they don't know it.

NERD
When did you last come here?

JOCK
I never have.

NERD
So why did we-

JOCK
I said I had a spot, we aren't there yet.

NERD
So today is, what, just exploring?

JOCK
Something like that-

Suddenly the JOCK vanishes mid sentence. He is completely gone and now the NERD stands alone. He is terrified and checks his phone but it's still dead. He begins to panic.

NERD
Okay. Okay. It's fine.

The NERD looks around intently, not knowing what to do.

CUT TO:

EXT. FOREST - NIGHT

The NERD sits alone, almost going crazy with his thoughts. He sits rocking back and forth.

NERD

Yeah. It's fine. I know the way. I
got this. Maybe that way? Yeah I
should go that way.

The NERD stands up, and walks through the trees for a few moments.

Eventually he comes to a halt. He sees the JOCK ahead of him, standing motionless with blood on his face. Something's very wrong. A horrifying creature's head emerges from behind the JOCK. It has bright eyes and a wide smile. Its face peers from behind the JOCK and a long skinny arm reaches out and touches the ground. The shot lingers on this creature for a moment, then cuts to black.
