

EXT. FOREST - DAY

TWO MEN walk through a forest in a very wide angle shot to emphasize loneliness. There's a distant inaudible conversation amongst the sounds of birds chirping and trees rustling.

NERD  
She won't respond

JOCK  
Nah it will be fine.

NERD  
(Agitated)  
It's so dumb

JOCK  
Nothing bad will happen.

NERD  
What if they tell everyone and I  
become some stupid joke?

JOCK  
No one is that cruel, and who  
cares? It's funny.

NERD  
How is it funny?

JOCK  
Relationships and all that.

NERD  
When was the last time you dated?

JOCK  
I've never dated like that,  
seriously.

NERD  
Oh okay.

JOCK  
Is that weird?

NERD  
Don't ask me man  
(laughs)

There's a pause. The tone was relatively relaxed. The men look around and then feel uneasy.

NERD (CONT'D)  
Do you know where we are?

JOCK  
Let me check.

The JOCK gets out his phone but it's dead. He is confused.

JOCK (CONT'D)  
It's dead?

NERD  
Let me try mine

The NERD's phone doesn't work either. They are both confused. They see something on the ground and get shaken.

JOCK  
Um, let's go this way. Don't worry.

The men continue walking as the camera pans down to a blood stain on the ground. The men aren't alone but they don't know it.

NERD  
When did you last come here?

JOCK  
I never have.

NERD  
So why did we-

JOCK  
I said I had a spot, we aren't there yet.

NERD  
So today is, what, just exploring?

JOCK  
Something like that-

Suddenly the JOCK vanishes mid sentence. He is completely gone and now the NERD is alone. He is terrified and checks his phone but it's still dead. He can't turn it on.

NERD  
Okay. Okay. It's fine.

The NERD looks around intently. Then it cuts to nighttime. He is alone and visibly more shaken.

NERD (CONT'D)

Yeah. It's fine. I know the way. I  
got this. Maybe this way?

After a few shots of the man walking alone and pulsating electronic music, the NERD comes to a halt. He sees the JOCK ahead of him, standing motionless with blood on his face. Something's very wrong. A horrifying creature's head emerges from behind the JOCK. It has bright eyes and a wide smile. Its face peers from behind the JOCK and a long skinny arm reaches out and touches the ground. The shot lingers on this creature for a moment, then cuts to black.
